

Background notes

*This is a prayer for the gift of the Holy Spirit, and it is no less sincere for the fact that it rocks. I kinda like to think that God likes to tap his feet while listening to prayers. If you anyone who plays a mean fiddle, get them to have a go at the instrumental bit.*

## **I Wanna See** ***A “Rock ‘n Roll Prayer”***

*Words and music by Keith Miller*

No eye has seen, no ear has heard,  
No mortal mind could possibly conceive  
The joys prepared by God for those who love Him.  
This is His promise ... do you dare to believe? ...

**I wanna see**  
**I wanna see the light of Jesus shining down on me**  
**I wanna be**  
**I wanna be awake to hear when the Spirit speaks to me**

Holy Lord, God of the Israelites,  
Set my hear alight, alight for you.  
Holy Lord, Fulfiller of Prophecy,  
Do what you want with me, make me new.

**I wanna see (etc.)**

Holy Spirit, fill me with your power,  
When I am weak, make me strong for you.  
Give me strength, wisdom, skill and courage,  
So whatever you ask of me, I can do!

**I wanna see (etc.)**

*(Instrumental verse)*

**I wanna see (etc.) (x3)**
