LAST TIME

(Intro)

To you, my heart I offer  
With my whole being, honour  
All that I am, and all I own  
From this day forth is yours alone

Nothing on earth can separate us  
No fiend or foe could ever tear us apart  
With all my heart  
I give myself to you

(Instrumental verse)

Through many joys and sorrows  
Through highs and lows  
You're always by my side  
On earth below  
In heaven above  
In all things, love

(Instrumental verse)

... In all things love.

Note – This arrangement shows the accompaniment for the verse. The intro and instrumental sections follow the same chord structure with some improvisation around the air. A full arrangement is available on request.
