I got Christ, what've you got to shout about?
I got Christ,
It mighta took a while but there ain't no doubt
I got Christ, what've you got to shout about?
I got Christ

I might not have been rescued
 from a hungry lion's den
 And I haven't been delivered
 from a fiery pit, but then ...
 (Chorus)

He didn't bust me out of prison
 but then I've never been in jail (yet!)
 I've never been thrown up on the beach
 by an over indulgent whale
 (Chorus)

He didn't pull me from the water
 He didn't give me back my sight
 He hasn't made me talk in funny tongues
 But there's ev'ry chance He might
 (Chorus)

Have you got Christ ... I got Christ (x7)
 Have you all got Christ ... Yeah!

I got Christ, what've you got to shout about?
I got Christ,
It mighta took a while but there ain't no doubt
I got Christ, what've you got to shout about?
I got Christ

.... And that's (.....*)
