

Background notes

Great for kids ... or for adults who like to act like kids.

Inspired by the letters of Paul, in which he states that he will boast of nothing except Christ crucified ... I figured that's something worth boasting about!

I Got Christ

Words and music by Keith Miller

**I got Christ, what've you got to shout about?
I got Christ,
It mighta took a while but there ain't no doubt
I got Christ, what've you got to shout about?
I got Christ**

I might not have been rescued
 from a hungry lion's den
And I haven't been delivered
 from a fiery pit, but then ...
(Chorus)

He didn't bust me out of prison,
 but then I've never been in jail (yet!)
I've never been thrown up on the beach
 by an over-indulgent whale!
(Chorus)

He didn't pull me from the water
 He didn't give me back my sight,
He hasn't made me talk in funny tongues
 But there's every chance He might
(Chorus)

Have you got Christ? I got Christ (x7)
Have you all got **Christ Yeah!**

(change key)

**I got Christ, what've you got to shout about?
I got Christ,
It mighta took a while but there ain't no doubt
I got Christ, what've you got to shout about?
I got Christ ...**

And that's just dandy! *
