One more step along the world I go  
 One more step along the world I go  
 From the old things to the new  
 Keep me travelling along with you

Round and round the corner of the world I turn  
 More and more about the world I learn  
 All the new things that I see  
 You'll be looking at along with me

(Chorus)

*And it's from the old I travel to the new  
 Keep me trav'ling ...keep me trav'ling  
 Keep me trav'ling ...keep me trav'ling  
 Keep me travelling along with you*

As I travel through the bad and good  
 Keep me travelling the way I should  
 Where I see no way to go  
 You'll be telling me the way I know

Give me courage when the world is rough  
 Keep me loving though the world is tough  
 Leap and sing in all I do  
 Keep me travelling along with you

(Chorus)

You are older than the world can be  
 You are younger than the life in me  
 Ever old and ever new  
 Keep me travelling along with you

(Chorus)
